Paughcaughnaughsingus Tribe No. 6. O. R. M., has been instituted at Au-usta with forty charter members. The smalnder of the Tribe's name will be van in an extra edition of Tes Leders.

The Arbland Sun says: "Quite an exing scens took place at the bapiting as the Object ret fiellion; yesterdayhile the Minister was in the act of meesting a lady, both alloped and fell of the river. A large crowd of the object returns the continue to t

## Returns From the County.

Our returns from the county are in complete, owing to the tardiness of electien officers of several Precincts In send

Enough is known, however, to warrant the opinion that Hardin has not carried the county by over 100 majority. Mr. Rummans is elected to the Senate

by a safe majority, Mr. Harrison being mercilesely slaughtered by his own party friends—the Irish Democrats.

The majority for Rummans la Lewi will be about 500, while Mr. Harrison

carries this county by only about 200.

Mr. Johnson, Republican candidate for the Legislature, is beaten by Mr. Cabill by a comfortable majority, though Mr. Johnson made à splendld race.

Major J. T. Long and C. C. Hopper, have sold their interest in the Maywille Pulley Factory to Dr. John M. Fraze and J. D. Ped.

The alarm last avening about 7 o'clock was caused by the reflection of the light from a humples headard.

## Guess We'll Get a Look at the Books Now!

C. C. Hopper bought of Laura Yates a ouse on West Third, near Gray's alley, b

for \$618.

Mr. Erastus Lambden Willett Monday observed his 31st birthday by entertailing a party of friends, ladies and genile.

Mose Simpson, a Midway barber, bought a weinerwurst of Mike Ross and refused to pay for it, whereupon the son of the latter held Simpson while the elder Ross stabbed him, inflicting a dangerous

wound.

TO ADVERTISERS.

beeribors who fail to get to Lodger regularly will after a favor by reporting a fact AT THE OFFICE.

#### WE'RE FOR AMERICA & AMERICANS!

THE Editor of THE LEDGER has ro egrets or apologies for his course in nal revenue and miecelianeons receipt the new Tariff is a revenue fizzle. the recent canvass.

DURING the first plne months of this year our imports of datiable goods were 1893, under the McKinley Law, there \$110,468,966 greater than during the corwas made at Bradford, England, and ### Specific trans during the corwas male at Bradioty, kngland, and
these goods was such as can be made in
our own factories. Instead, they were
Democrats told you there was a "Chinese
made in foreign factories. Work, that
Wall" around this country which preshould have been done by American labor,
was done by foreign labor. Wages, that
Well, they fooled the voters in 1809, and
the presents hereafted down that Chinese

\*\*Proposed American Warp\*\* should have been paid to Americans, were baid to foreigners. Assuming that only half the value of these goods represents From September, 1894, to Angust, 1895. their labor cost, then American labor has under the Democratic Free-trade Tariff, lost upwards of \$55,000,000 in nine there was made at Bradford, England, months of this year. THE American Economist says the

Free-traders promised the American wool growers that Free-trade la wool

What Free Wool grown wool because

the American mann-facturers would be enabled to supply

both the home market and the markets of the world with woolen goods, hence there would be an extraordinary demand for American grown wool. The Proteceffect of free wool would be to lower the price of American grown wool and to advance the price of wool in foreign markets. The Protectionists were right. The Free-traders were wrong.

A late report of the London wool narket, dated September 27th, had the following:

market, dated September 27th, had the following:

"All combing wools have made the greatest advance, greasies being id, per ound and scoursels 21, per pound higher han in July, with instances of a greater has no wools, which, being of a more fliewy character, were their regarded as on the border like between combing and leibling, and are now piaced among the framer cigs. Shart wools, which made no advance in the July series, are still salterly very cheap, but at their low values the rise new is 12t to 15 per cent. Low-priced lamber wool, which the awas at low water mark, is 1d, per p-and on grease and 2d, per pound on scoured dearer, a grain of 20 per cent.

"Grossbreds of all grades participate very fully in the rise. The finer qualities, which were less affected in July, as well as the coarser, which made a greater move then, are equally 15 and even 20 per cent. deared:

"All South Afr'can whole have cahanced their value, the combing as much as 16 per cent, the clothing not unce than 10 per cent."

In contrast with the foregoing record af wool writes in Londing as year.

In contrast with the foregoing record of wool wrices in London we give the following record of prices in Philadelphia and Boston of American grown wool.
On October 1st, 1865, XX Oblo washed
was 12 cents per pound lower than
October 1st, 1891; the price of Ohlo
medium washed was 15 cents lower; the
price of Ohlo coarse washed (t blood) was 11 cents lower; the price of Ohio fine nnwashed was 8; cents lower; the price
of Indiana and Missouri line unwashed od was 8 cents per pound lower; the ice of Indiana and Missouri medium washed († blood) was 12 cents per 14 lower; the [ric) of Indiana and 74 cents lower; the price of XX Obio scoured was 25; cents lower; the price of Oregon and Colorado fine was 8; cents r; the p ice of Ohio medium scorred cents lower; the price of Ohlo the price of Oregon and Colorado scapred was 27; cents lower.

so foregoing quotations of London in the United States is beneficial to

Uncle Saw's Treesury dedcit for the first four days of Nevember is now \$115,-988 95; for the fiscal year to date, \$16,-370,346 22, and for the Cleveland Administration \$123,208,635 85.

For the first fourteen months of the new Tariff receipts from internal revenue were but \$141,354,546 9i, which is \$12,000,000 less than internal revenue receipts under the McKinley Act for the fiscai year 1892, \$20,000,000 less than internal revenue receipts for the fiscal year 1893 and \$6,000,000 less than internal revenue receipts for the fiscal year 1894. The comparison made are for 14 months of the new revenue bill as agains but 12 months of the former bill, and yet in every case the McKinley Bill produced more revenue within a chorter period. The miscellaneous receipts for the first 14 months of the new Tariff were \$16,637,315 72. In customs, inter-

FROM September, 1892, to August and soid in the United States £334,454 and sold in the United States A.534,109 worth of woolen goods—an Increase of the American "capitaring the markets of the world," Free-trade In would advance the world stepledly capturing the markets of the world, would advance the kets of America.

## RECOMMENDATIONS

From 3,000 to 0.000

RECOMMENDATIONS

Of the lower of Hursen Chiefs Hypersol
by Recertary Herbert.

WASHINGTON, Nov. 6.—Secretary Herbert has rejected the recommendations of the board of bureau chiefs that additional penalties be imposed on contractors for the overweight of hulls of veasels and failure to deliver plans for armor plate within the time stephen in agreed or the contractors at the secretary Herbert. He called the attention of the secretary that the contractors at present had three penalties. These were as much, he claimed, as they could bear. If additional penalties as proposed were added it would preven secretary agreed with Constructor Herburn and refused to impose additional penalties received at the navy department Tuesday from the commissioner of the United States cruiser Columbia states that during a test of powder pressure than the proposed were the navy department Tuesday from the commissioner of the United States cruiser Columbia states that during a test of powder pressure that during a test of powder pressure that during a test of powder pressure that the proposed were the proposed were the secretary and a few days ago, the breech block of the gun was checked. The report did not give the extent of the injury nor whether it affected the stability of the gun itself, but a furture report containing these details in promised.

#### FREED HER LOVER.

Cuts Her Hair and Smuggles Tools to Her Sweetheart,

Last week William Burns and Sam May, two bandsome but wayward youths of good families, were incarcersed in the Vancoburg Jall, charged with stoning the residence of Mrs. Mary Ross, at Farms, one mile above that city "Aufiliam Burns had a pretty little sweet-heast of 16, living at Burna Visia, O , named Saggle Bishop. Maggle volved her lover should be re leased.

She clipped her long raven locks, don ed a suit of boy's clothes, and crossed seriver. She went to the Jail without

tracting any attention, as curious people e constantly visiting the Jail. The girl succeeded in slipping to her ver a small hatchet, a file and a case-

over a small hatcher, a sub-traife. With these simple tools the hall boys sawed their way to liberty and escaped to the Ohlo side, where they acreamed back defauce at the Sheriff.

Maggie was arrested, and she is now in a cell deesed in the garb of her sex.
